Note: Please indicate which tickets you would like to apply for. This is dependant on our allocation, so cannot be guaranteed. We will always try and seat the tickets together, but again this cannot be guaranteed. Once the ballot/allocation is complete, if successful we will invoice you directly with the tickets at the face value. This needs paying by return to secure your tickets.

1. £1.00p is added to the ticket price to cover postage for the Club, bank charges etc.
2. Please do not apply for more tickets than you actually want and of the class you actually want.
3. The demand for tickets invariably outstrips supply and consequently the Club usually receives significantly fewer tickets than the quantity applied for. Allocation of tickets is at the sole discretion of the Club.

Members of the Club found "trading" in International tickets will receive no allocation of tickets in the future and may be expelled from the Club. The Club can also be penalised. All tickets are identifiable, recorded and can be traced.
5. Please do not apply on this form for tickets for games other than those referred to above.
6. Tickets become available approximately 14 days before the relevant internationals, and posted to the address above. NRFC are unable to help until the clubs allocation has arrived, when they are allocated on as fair a basis as possible. If you have not received any tickets 7 Days before the relevant game, please contact Chris Brookes 07999 494378
7. Tickets are despatched by ordinary first class mail at the applicant's own risk. NRFC accepts no responsibility or liability for loss.
